Thought for the Week

Lent is just around the corner, so we take time to think about our character as we approach this holy season. Am I prone to judge others, more likely to recognize others' faults rather than my own? Jesus points out that when we overlook our own faults, not only are we ourselves left deficient, but our judgmental outlook distorts our view of others.

"For a penitential spirit: that our observance of Lent may open our own hearts to greater sorrow for sins that offend our love of God and neighbor."
